## EDUCATION

---

<b>New Jersey Institute of Technology</b> , Newark, New Jersey	Bachelor of Science, Dec 2013
Major: Mechanical Engineering	

## EXPERIENCE

---

<b>City-Hydroponics LLC</b>	<b>Brooklyn, NY</b>
Director of Research & Development	January 2013 – Present

- Developed prototype hydroponic apparatus (VOHS) into a commercially viable product
- Increased efficiencies per area while decreasing unit costs and installation time
- Improved system reliability and safety by adding additional features
- Consulted with overseas manufacturers to dramatically decrease component costs
- Worked with frame fabricators to further optimize design and decrease manufacturing costs
- Created testing studies to evaluate growth of plants under several conditions
- Collaborated with intellectual property lawyer to create patent and protect various design aspects
- Compiled materials and componentry orders for testing and installation build-outs

---

<b>NJIT Formula Society of Automotive Engineers (FSAE)</b>	<b>Newark, NJ</b>
Frame Design Team Lead	Sept. 2012 – July 2014

- Design Formula-1 vehicle chassis around FSAE rule constraints and components requirements
- Collaborate with other team leads to meet design needs
- Optimized frame to meet weight, cost, and strength goals while complying with all FSAE rules
- Test design performance through physical and virtual torsional and bending analysis

---

<b>Handymen</b>	<b>Clifton, NJ</b>
Co-Founder	May 2010 – Jan. 2013

- Manage a landscape, design, computer repair, light construction, and web design company
- Acquire and communicate with clients to evaluate needs and quote job costs
- Allocate resources and appoint laborers for each project

---

<b>NJIT Innovation Acceleration Club</b>	<b>Newark, NJ</b>
President	Sept. 2011 – Jan. 2012

- Assist students in preparing business plans, presentations, and a target timeline
- Organize and coordinate meetings and presentations between venture capitalists and students
- Find competitions for students to submit or pitch their business plans

## CERTIFICATIONS

---

Construction Quality Management for Contractors (CQM-C)	Completed: 4/18/2014
---	----------------------
